Dear Mr. Saunders:

PETITION OF JS SJK, LLC FOR REVIEW OF DIRECTIVE FOR SOIL AND GROUNDWATER INVESTIGATION PURSUANT TO CALIFORNIA WATER CODE SECTION 13267 FOR THE FORMER BAXTER BENTLEY BUILDINGS 1 & 2, 17502 THROUGH 17572 ARMSTRONG AVENUE, IRVINE, CALIFORNIA ISSUED BY SANTA ANA REGIONAL WATER QUALITY CONTROL BOARD: ACKNOWLEDGMENT OF RECEIPT OF PETITION AND APPROVAL OF REQUEST TO BE HELD IN ABEYANCE
SWRCB/OCC FILE A-2612(b)

This will acknowledge receipt of the above petition on August 30, 2018. You have asked that the State Water Resources Control Board (State Water Board) hold the matter in abeyance. We are happy to do so in hopes that the matter may be worked out between you and the regional water quality control board. We will hold this petition in abeyance until August 30, 2018. Please pay careful attention to this date, because the State Water Board is not responsible for reminding petitioners that their abeyance periods are about to expire.

If the State Water Board does not receive prior to 5:00 p.m. on the last business day before August 30, 2018 either (1) a written request to further extend the abeyance period, or (2) a written request to remove the petition from abeyance and activate the petition, then this petition will be deemed withdrawn as of August 30, 2018. If the petition is deemed withdrawn, you will not be able to seek judicial review of the regional water quality control board's action or inaction. Requests to extend abeyance periods or to remove petitions from abeyance should be sent to waterqualitypetitions@waterboards.ca.gov or to the mailing address below. A copy of the request must be sent to the other parties to the petition, including the regional water quality control board.

If you decide that you would like to remove this petition from abeyance and activate it at some time in the future, it is important that you carefully consult the State Water Board's regulations. (See Cal. Code Regs., tit. 23, § 2050.5.) If you request that this petition be removed from abeyance and activated, the petition will be dismissed on the 91st day following the State Water Board's receipt of your written request to remove the petition from abeyance unless:

FEUCIA MARCUS, CHAIR | EILEEN SOBECK, EXECUTIVE DIRECTOR

DEC 18 2018

- (1) the State Water Board has notified you, the regional water quality control board and interested persons that the regional water quality control board and interested persons have 30 days to respond to the petition;
- (2) the State Water Board has received a written request from you to place this petition back in abeyance; or
- (3) the State Water Board has notified you prior to the 91st day that the petition is dismissed.

If none of these events occurs prior to 5:00 p.m. on the last business day before the 91st day after the State Water Board receives your written request to remove the petition from abeyance, this petition will be automatically dismissed without further action by the State Water Board. Dismissal of a petition, whether done by operation of law or by a letter issued by the State Water Board, is a final agency action for purposes of seeking judicial review of the regional water quality control board's action or inaction.

If you have any questions regarding this letter, please contact me at (916) 341-5178.
